09:00-09:15 CHAIRMAN'S OPENING REMARKS

09:15-09:30 WELCOME TO HONG KONG!

A warm welcome to Hong Kong and to FlyPharma Asia from our Host Partner.

Speaker: HKIA

09:30-10:00 GROWTH AND INNOVATION IN HONG KONG'S PHARMA CARGO MARKET

10:00-10:30 WORKSHOP: IS SPECIALIZED PHARMACEUTICAL HANDLING WORKING?

We all know the basic answer to this question: pharmaceuticals need special handling because of high regulatory standards and high client demands. This workshop will look instead at what has been done to address traditional weak points in the supply chain, and – crucially – ask whether this is working.

10:30-11:15 NETWORKING BREAK

11:15-11:45 CUTTING EDGE COLD CHAIN: TOMORROW'S INNOVATIONS

11:45-12:45 PANEL: THOUGHT-LEADER APPROACHES TO RISK MANAGEMENT STRATEGIES

There are four main strategies in risk management: avoid it; reduce it; transfer it; or accept it. Our panelists will consider new approaches to risk management and share their advice on putting together a coherent, forward-thinking strategy.
